## Roshan Kal Welfare Foundation Holds Its Third Board Meeting

Roshan Kal Welfare Foundation held its third official Board Meeting today at its office, marking another important step in strengthening the organization's operational framework and community-focused initiatives.

During the meeting, members of the Board reviewed ongoing activities, assessed progress on existing programmes, and discussed future plans aimed at expanding the Foundation's outreach in the fields of education, healthcare, women empowerment, and social welfare.

The Board also resolved to initiate financial support programmes through public donations in order to strengthen its welfare activities and reach a wider section of the community. In this regard, it was further decided to publish advertisements and awareness campaigns on social media platforms to inform the public and encourage voluntary participation and support.

Several other administrative and policy decisions were taken to improve organizational efficiency, ensure transparency, and enhance the impact of the Foundation's initiatives.

The meeting concluded with a collective commitment to work with dedication, integrity, and accountability for the betterment of society.
